

REMARKS

This Preliminary Amendment is made in response to the Notice of Allowance to add new dependent Claims 56-67, which are submitted to also be allowable for at least the same reason as set forth by the Examiner's comments accompanying the Notice of Allowability. Moreover, the amendment introduced by the Examiner in the Notice of Allowability relating to the cross-reference to the corresponding PCT application is noted with appreciation.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.

Respectfully submitted,
